	lights are turned on and off cannot be modified as they are all programmed remotely.	
	Research on the Enchanted Cinema had established that this would not be just a case of allowing the company to use the playing field, EPC would have to hire the company and be responsible for the selling of tickets.	Noted.
	Further research is required regarding recording the air pollution in Elsenham. There are a lot of procedures that had to be meticulously followed and recordings would have to be taken over a period of at least one year.	Noted.
	BT had stated that one of the reasons EPC could not adopt the telephone box on the corner of New Road and Station Road, was UDC response to a consultation in 2016, when the council refused to allow any of the new telephone boxes to be adopted. LJ contacted UDC and asked if they would re-consider their decision. UDC sent a letter of support for the adoption, which LJ forwarded on to BT. BT has now agreed that in the light of this letter EPC can now adopt the telephone box for £1.	LJ to fill out and return the adoption form.
	AG had circulated a draft response to the library consultation, all Councillors agreed the letter could be sent off. Elsenham News are going to run an article encouraging people to complete the consultation. AG had been invited to join a newly formed library working group of Stansted Parish Council which is meeting on 15th January 2019.	Noted.
20313	Minutes Council considered the minutes of the meeting held on 3 December 2018.	Approved by EPC, signed by Chairman as a true and accurate record.
20314	<b>District Councillors' report</b> EPC are extremely dissatisfied with the present UDC's policy regarding new litter and dog waste bins. Elsenham Village has increased by around 50%, UDC are receiving the extra council tax from the residents of the new housing and yet refuse to carry out a fundamental duty of emptying any extra bins. If EPC move waste bins or buy new bins to accommodate the extra housing, UDC will expect EPC to pay a person to empty these bins and place the contents in a location ready for the refuse collectors to pick up. It would be far more cost effective if the whole procedure was carried out by UDC.	PL agreed to bring this to UDC attention.

20315	<ul> <li>However, this makes UDC look efficient, as they are not having to increase their refuse collection budget, but it is the tax payer that ultimately loses out by having to pay extra.</li> <li>PL confirmed that Elsenham Vale is not a private road and therefore all residents are welcome.</li> <li>Planning Committee</li> </ul>

	<b>UTT/18/3370</b> - Outline planning application for demolition of building and erection of up to 9 new dwellings. Land South of the Farmhouse, Old Mead Road.	
	<b>UTT/18/3479/FUL</b> Demolition of garage and proposed new dwelling, including parking and alterations to vehicular access. 3 Stansted Road, Elsenham.	
	<b>Decisions made by Uttlesford District Council</b> <b>UTT/18/246/HHF</b> Proposed demolition of existing conservatory and erection of a single storey rear extension. 6 Leigh Drive, Elsenham.	Approved.
	<b>UTT/18/2091/HHF</b> Section 73A retrospective application for a single storey rear extension and alterations to external windows. 3 Orchard Crescent, Elsenham.	Approved.
	Enforcement Notice 51 Hailes Wood, Elsenham. An investigation has found that there was no breach in planning control; however, in respect of draining pond into storm drain this matter has been referred to Environment agency (incident number 1668498) and in addition the alleged destroying of wildlife habitat has also been referred to the local police. 	UDC are holding a briefing for Parish Clerks, in	
	relation to the May parish elections, on Wednesday 27	
	February at 7.30pm. Parish Clerk's will also be able to	
	collect nominations packs. LJ, MJ and GM are to	
	attend.	
20323	Flowerbed Committee	
	The second Tommy is now standing in the Memorial	
	Garden, a thank you to Allan Hathaway who	
	constructed and installed it. The Flowerbed Committee	
	are to decide on the best position within the garden, for	
	the Tommies to stand.	
	PEC said the plants at the entrance to the village by the	MJ to inspect and the
	motorway bridge are beginning to cover up the 'Drive	Flowerbed Committee to
	Slowly' Elsenham sign.	take any necessary action.
20324	Transport	
	RF and AW had been invited to complete a transport	
	questionnaire, but as it was concerning night buses,	
	which Elsenham do not have, it was irrelevant.	
	Road closures continue to disrupt the service.	
	There had been a couple of mechanical problems with	
	the buses which has caused cancellations, RF	
	expressed to the bus company that if the buses are	
	unreliable, people will stop using them.	
20325	New EPC Website	
20020	EPC's current website requires updating, it is not user	
	friendly, not visible and not interactive. Research had	
	been carried out on Parish Council Transparency	
	Compliant Website, the benefits to the Council would	
	be; easy to update, .gov.uk emails, compliant with data	
	protection laws, no software installed on personal	
	devices, two-way communication. The benefits for the	
	community are; visually appealing, assurance from the	
	.gov.uk domain, accessible on mobile devices, links in	
	to other online platforms, invites two-way	
	communication.	
	Cost for the new website is £599 for the build, £300	
	per year for hosting and maintenance and £200 every	
	other year for .gov.uk domain registration.	
	To involve the community, it was decided to hold a	
	competition asking residents to send in their	
	photographs of the village, the winning photograph	
	would be used on the websites home page.	
	Proposal, EPC establish a Communication Committee	EPC proposed, JM
	to set up and manage the EPC website, members to be	seconded, the vote was
	AW, AG and EC.	carried unanimously.
	<b>Proposal</b> , the Communication Committee is allocated	PJ proposed, PEC

20326	Volunteer Evening	
	The volunteer evening was a great success and was	
	extremely well attended, with lots of good feedback	
	from people having enjoyed the evening. MJ thanked	
	all the Councillors that had attended; it had been a	
	wonderful community evening and certainly something	
	to think about doing again this year.

	Meeting opened to public participation	
20333	It was asked how the precept is calculated. UDC send	
	round a ready reckoner, which illustrates the current	
	year (2018/19) precept figure and gives details of the	
	2018/19 and 2019/20 tax base, once the required	
	precept for the next year is entered, the ready reckoner	
	calculates the % increase and band D equivalent for 2019/20.
